Demon

**SCHOOL SONG**

Dumas High School beautiful, pride of all forever be.  
In our hearts we say a prayer for thy prosperity.  
Strive for honor, love and truth, with thy colors raised;  
Dumas High School beautiful, ever we'll sing thy praise.  
"Demon Pride Never Dies"

Expect Success

**MISSION STATEMENT**

Dumas Independent School District Expects Excellence by embracing the concept of Effective Schools:

Realizing that leadership is a shared responsibility and that the finest leadership qualities are expressed by example, the Dumas Independent School District will establish and maintain a positive academic environment.

Academic achievement developed through instructional consistency, maximum learning time, and a flexible curriculum will allow opportunities for students to realize their highest potential and become successful and productive members of society.

A consistent manner of accounting using a variety of assessment methods is used to ensure that students are tested over material taught and that mastery is achieved.

The educational setting will provide a safe, secure, clean, attractive environment that promotes a supportive atmosphere conducive to teaching and learning.

Based on the fact that everyone can learn, Dumas Independent School District - school personnel, parents, and community - will encourage students to do their best.

Realizing that parents are also child's teachers, school personnel will be responsive to and encourage parental involvement in the student's learning process.as one in which all students achieve at least minimum mastery of the basic skills, which enables them to progress to the next level of school or in the work force and have a reasonable chance of success.
